Re: U.S. Patent Application No. 10/624,076
Filed July 21, 2003
Title: Nanotube Apparatus

Dear Rebecca,

The Post Office returned the enclosed package containing our July 31, 2006 response to your Office Action of January 30, 2006. The package was sent by First Class Mail on July 31st and appears to have been addressed correctly.

We are returning the original package to you by Express Mail so that it can be tracked this time.

Per your request, I have researched the one previous occasion when First Class mail sent to the USPTO on March 18, 2005 was returned to our company and subsequently re-sent to the Patent Office by Express Mail. In that case the Examiner, Mr. Thomas Noland, placed a line item in a subsequent Communication stating "The amendment filed March 18, 2005 has been entered." I hope this is helpful.

We sincerely appreciate your help in getting our response to your Office Action accepted by the Patent Office.

Sincerely,

Dr. Paul F. McClure
President & CEO
